The tour will take you through the charming streets of Slovenia's capital. You will experience its rich history and local culture, whose unique architecture is the legacy of the work of the famous 20th-century architect Jože Plečnik. You will pass all the important sights of Ljubljana: Prešeren square and a bronze statue of the Slovene national poet France Prešeren; Dragon Square, which is adorned with famous dragon statues and became one of the symbols of Ljubljana. Three Bridges, Congress Square, Town Hall, National Library, St. Nicholas Cathedral, The New and Old Square, open air market, Butcher's, Cobbler's Bridge, etc.

No trip to Ljubljana is complete without a water cruise through the historic Ljubljana city center on the languid Ljubljanica in the handmade wooden is easily the most attractive of all the crafts plying the waters of the Ljubljanica. It offers views of most of the old town's major sights from a unique perspective. You will also have the chance to take a Funicular railway up to the crown of the City- Ljubljana Castle and enjoy the beautiful view of the city.

During your free time you can shop for souvenirs or experience some great local cuisine at some of the local restaurants like Druga Violina, Pr Kolovrat, Strelec, Most, Luda, Slovenska hiša Figovec, Monstera,.
